

# Towns With Heart receives Social Housing Community Improvement funding for mural at Kurri Skate Park

22 Dec 2016, 4:12 p.m.

**VIBRANT:** Towns with Heart will paint a mural at Kurri Kurri Skate Park.

Towns With Heart has received a \$7400 grant to paint a mural at Kurri Kurri Skate Park.

The grant came from the NSW Government's Social Housing Community Improvement Fund (SHCIF) – a three-year, \$20 million commitment to build stronger social housing communities.

Parliamentary Secretary for the Hunter, Scot MacDonald said local community groups, councils and charities are leading the way and have

received funding for projects in and around our social housing communities.

“This is all about turning social housing areas into strong, vibrant communities that our residents are proud to call home,” Mr MacDonald said.

“I’m excited by the possibilities that these grants can bring to our local social housing communities.”
